

## ATV DOLLY

23-DATV

### Perfect for manoeuvring in tight spaces

- You can load the ATV dolly with 350 kg of wheel pressure
- Sturdy rubber balloon wheels make it easy to move even heavy loads.
- Excellent for moving boat trailers and lightweight trailers
- Black powder coating
- L x W x H 1,100 x 1,100 x 400 mm

If you need to haul loads that are heavier than your ATV can handle, the ATV Dolly gives you the option of using it as a trailer with a wheel pressure of up to 350 kg.

The tow bar is 50 mm height adjustable. A 50 mm tow bar ball hitch is included.
