

GRITTER 1.35 M, TOWED

32-S500

Gritter for your ATV, tractor or car

- Working width 1,350 mm
- Hopper capacity 500 l
- Speed 30 km/h
- 50 mm ball coupling
- 14" wheels which drive the spreading auger

A gritter for sand and salt, with a simple and stable design and quick adjustment of spreading quantity.

The hopper holds 500 litres, and sturdy wheels drive the spreading auger. The spreading auger is easily disengaged for transport and re-engaged with a simple manual operation. It does not spread during reversing.

A well-constructed tool offering top functionality and long service life, and a good addition to your machine fleet.
