

GATE 4.60 M

25-460

Galvanised gate 4.60 m in sturdy design

- L x W 4,600 x 1,150 mm
- Adjustable mounting
- Spring loaded locking pin
- Galvanised

Substantial, neat and rational openings to roads, pastures and various passages.

Reassuringly durable. Gates with \varnothing 43 mm tubular piping in entire gate. Their robust construction means that the gates can be used in livestock housing to prevent access to feeding areas and similar. Spring loaded locking pins as standard.
